
Become a
Friend of

**Friend: one who supports, sympathizes with,
or patronizes a group cause or movement.**

If

could find a 'Friend of BAS'
for each of the 515 families it supports,
we would be able to pay our rent for a year.

This provides a venue for BAS to run a helpline, support groups, DLA workshops, and education & training for individuals, carers and families affected by ASD.

This is based on £2 a month.....£5 could do so much more!

If Berkshire Autistic Society can find a Friend of BAS to give £2 a month for each of the 515 families we support, we could pay our rent for a year!

The rent pays for the venue which is vital for BAS to run their helpline, support groups, DLA workshops, and education & training for individuals, carers and families affected by ASD.
